## Ryder Cup Wales 2010

Being a proud Welshman based in Charleston, SC but born and raised a mere 20 minute car ride from the magnificent Celtic Manor, home to the 2010 Ryder Cup and in the heart of South Wales, the opportunity to play a part in this major sporting event was simply too great to ignore” comments Christopher Greenslade, Vice President of Patriot Meetings & Management.

As a result, Patriot is proud to announce its partnership with **Ryder Cup EXPERIENCE 2010** [www.rydercupexperience2010.com](http://www.rydercupexperience2010.com) a company founded by a group of dedicated Welsh golfers whose sole aim is to provide a visitor “EXPERIENCE” creating a lasting memory while discovering the treasures and culture that this part of Wales offers in abundance.

The goal of the partnership is to offer visitors to the Ryder Cup a once in a life time, totally unique Welsh cultural and golfing EXPERIENCE utilizing first class private accommodations and designing custom made packages (golf on local courses with pre-arranged tee times, airport transportation for arrivals and departures, car hire, restaurant reservations, castle tours, Ryder cup tickets, custom made gifts, etc) where the focus is 100% on you.

Behind the scenes you have the integrity, planning experience and expertise of Patriot Meetings & Management (*Greenslade planned and executed a 7 day 600 person corporate program for Ryder Cup 2008 in Valhalla, KY*) plus your Wales based team, offering a wealth of experience in the housing letting sector, corporate hospitality and established local business contacts to cater for your every need.
